

CBC Mission Trip Information Form

Active membership at CBC is required to participate on a CBC Mission Team.

Children under the age of 16 are eligible for application if they are accompanied by a parent.

As in the case with any CBC activity, it is expected that the participants, as representatives of the church, conduct themselves in a way that honors the Lord. This includes, but is not limited to the importance of:

- Being a team player
 - Refraining from the use of alcohol or tobacco
 - Dressing modestly and in a way that is respectful of the culture
 - Respecting the customs of the culture
-

How long have you been actively pursuing your Christian walk?

Are you involved in other ministry opportunities at CBC? If so, what?

Have you ever been part of a mission trip before? If so, when and to where?

What did you take away from that experience?

When do you feel you were first called to be part of a CBC mission trip?

What do you hope to gain from such an experience?

Are you willing to actively ask others to become a partner with you in this mission effort, financially and/or as a prayer partner?

I understand the expectations of going on mission with CBC and submit my application for consideration by the Missions Leadership Team.
